## BONDI, BONDI, BONDI

### BONDI BRAIN TEASER

- Did you go to Bondi four times over Xmas
- Do you have your own spot on the stage
- Do you have Sunday Session passes
- Do you know the words to all the anthems
- Do people comment on your repeat clothing
- Do the the bouncers know you
- Does the the hot dog man know you
- Do you know the DJs
- you are the DJ
- Did you witness the second coming of Jesus
- Do you think it's normal to pay \$7 to get into a pub on a Sunday night

If you answered yes to any four of the above you are a Bondi addict. Stop boshing and seek immediate medical advice. Unless of course you can afford to keep it up for another year...

### BONDI TOP 10 (in no particular order)

- Get Ready For This - 2 Unlimited
- Keep Warm - Jinny
- Peace - Sabrina Johnston
- Finally - Ce Ce Peniston

- I Wish That - Ultraviolet
- Is Anybody Out There - Bassheads

# CHARLEY SAYS

Life as a raver can be fraught with unexpected social traumas, trials and tribulations. Charley is here to help. Write with your problems to 'Charley Says, PO Box 651, Woollahra, NSW 2025.' And fuck off.

Dear Charley,

I hope you can help me. I'm having trouble getting the mud out of my favourite white jeans and am in desperate fear of losing my title as Best Dressed Raver. What can I do??

N.P.

Dear Pete,

My tip is that you take a spare pair of lovely white jeans with you when you go to a rave. As the sun comes up and everyone can see your filthy state, duck behind the port-a-loos and change them. No one will notice the difference!

Dear Charley,

I am sick to death of forking out 30 to 35 dollars each week to go to 'raves' held in various venues - the showgrounds, Dome, Driver Avenue, Moore Park, next to the Hordern, Centennial Park, the Banquet Hall, etc. and when I get there it's that stupid big hall with fuck all in it ... again. Please help me as I am desperate to become a real raver and getting out of the showgrounds is proving to be a real problem.

Heather, Mosman

Die Yuppie Die,

Sucked in!! My advice to you is to avoid all ads offering stadium seating, multi-level raised dance floors, inflatables, chill out space, outdoor terrace and massive 35k sound system. Be particularly wary of promoters offering mysterious special guests from overseas, and above all GET A LIFE.

Dear Charley,

Why does Joe 90 still insist on calling himself Joe 90? I mean, doesn't he realise that he has passed his 'best before' date??

Concerned citizen, Bondi.

Dear Concerned,

Obviously you aren't aware that Joe 90 is one of the Big Boys and he can call himself whatever he fucking likes. (Even if it is after a silly kids show character).
